To all the members of the Rotary Club of Norwich,

Dentaid is very grateful for your recent donation of £1500.00 and would like to thank you for raising the money through your bike ride. We have allocated your donation towards a DentaidBox to be sent to the project in Ghana, as requested. We hope to be able to send the DentaidBox to Ghana in about a month's time. We will keep you up to date with its progress.

In 2016 Dentaid is celebrating its 20th anniversary and this is a very exciting time for the charity. We're planning to start new projects in Nepal in the aftermath of the earthquake, send a team of volunteers to Panama and look at ways of providing emergency dentistry for people caught up in Europe's refugee crisis. We are also launching a Sugar Smart campaign in the UK to highlight the importance of healthy teeth to schoolchildren and their parents.

Dentaid's ongoing projects are continuing to bring smiles across the world. In the last year we have sent out DentaidBoxes to projects in countries including Ghana, Burkina Faso and Bangladesh. Our volunteer teams have treated thousands of people in Uganda, Cambodia and Malawi and we have trips to Zimbabwe, Romania and Kenya taking place in the near future.

Our volunteers work alongside dental professionals in developing countries, enabling them to offer outreach in rural communities and in prisons, slums and schools.

The DentaidBag continues to be a great success, enabling us to transport a dental chair and all the equipment necessary to set up a clinic as luggage on an aeroplane, saving on shipping costs.

Everyone at Dentaïd is very excited about our growing charity and the number of people we are helping around the world. But we could not do this without your support and are very grateful for your donation.

With grateful thanks,
